External Projects

Chat App

An app, which is similar to Whatsapp theme allows users to communicate with each other.

💬 Try This 📝 See code

Simon Game

The game creates a series of tones and lights and requires a user to repeat the sequence. If the user succeeds, the series becomes progressively longer and more complex. Once the user fails , the game is over and their level is declared.
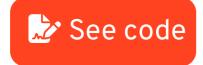

🧩 Try This 📝 See code

Drum Kit

This is drumkit webpage where you can play your desired tune with keys mentioned using keyboard or mouse.
